Re: *Application of South Carolina Tariff Bureau, Inc. for a Rate Increase*  
*Docket No.: 2009-41-T*

Dear Mr. Terreni:

I am in receipt of a copy of Jeff Nelson's January 6, 2010 letter to you regarding the above-referenced matter. In addition, my partner, Eric Tonnsen, received an e-mail yesterday showing this as the 26<sup>th</sup> item on the agenda for the Commission's regularly scheduled meeting on Wednesday, January 13, 2010.

As noted by Mr. Nelson in his letter to you, three of the six companies selected for the impact study have provided the requested information to the ORS. Lange Moving Systems, Inc., H&F Transfer, Inc. and H.D. Auston & Sons Moving & Storage have not yet provided the information. I have been in contact with Tyler Fairey of H&F Transfer, Inc. d/b/a Palmetto Specialty Transfer, and he has advised me that it is his intention to withdraw from the Tariff Bureau and file his own tariff by no later than January 14, 2010. A copy of his e-mail to me is attached for your review.

I have also been in contact with Kym Lange of Lange Moving Systems, Inc. Her company previously provided its 2007 financial information as requested by the ORS early last year and there was some confusion whether she needed to provide the 2008 information. We have advised her of the agreement we reached last year to provide 2008 information. I have not yet spoken to a representative of H.D. Auston & Sons but am attempting to do so at this time.

We understand from Mr. Nelson's letter that the ORS Audit Department is unable to determine the impact of the proposed tariff changes because all of the requested information has not yet been provided. We are working toward that and will attempt to have this information provided to the ORS in the very near future. By copy of this letter to Mr. Nelson we are advising him of the same.

Mr. Charles Terreni  
January 12, 2010

**Subject:** Re: PSC Meeting

Many thanks, David. Since we last spoke, I retained Mr. Jack Pringle of Ellis, Lawhorne and Sims. We intend to submit our own tariff to the appropriate regulatory agency no later than Thursday morning the 14th of January. Many thanks for your correspondence and please feel free to contact me in the meantime with any additional requests or inquiries.

Kindest regards,

Tyler D. Fairey
